2017 School satisfaction surveys- parent, students and staff

Some parents have been randomly selected to receive School Satisfaction Survey forms. If you are one of these parents the survey information has been sent home today with the Newsletter. Parent feedback is important to us and will help inform school planning and decision-making. We encourage you to complete the anonymous online survey and welcome you to use school computers if you do not have access to a computer at home. Staff and students in grades 5-6 will also complete the survey so we get a holistic view of how our school is performing.

Australia Changing Over Time- September 21

Students will attend a performance next week called, *Australia Changing Over Time*. The performance covers Australia's history and is part of the HASS curriculum. There are 2 performances 9:30 and 11:30. If parents would like to attend please sign in at the office and make your way to the hall.

Country Gold

All the best to our Country Gold representatives and staff involved in coaching or managing teams. They will compete in football, netball, hockey and soccer carnivals on Thursday, September 21 and Friday, September 22 in Launceston.
