School Association

We will be holding our next School Association meeting at Scottsdale Primary School on Tuesday the 28th of March at 7pm. We currently have a number of vacancies for parents to join our School Association.

The School Association Committee is an important part of our community which supports our school in a variety of ways, from fundraising and volunteering, to helping shape and endorse policies.

The committee meets four times a year, once each term. If you would like to join or nominate others, please fill out the form attached to this Newsletter and return to Tiki Button, the returning Officer by the 22nd March.

I would like to thank those who are currently or have previously been involved with the School Association for their time and contributions over the years and although some may be at the end of their current 2 year tenure they are able to renominate.

Whole School Assembly

On Friday 24th March at 1:45pm we will be holding our next whole school assembly to recognise our Student Representative Council and Committee Monitors and present badges. These students will bring home an invitation this week for both the assembly and celebration afternoon tea to be held afterwards. Please RSVP to the school office if you will be attending.

NAPLAN Testing

Over the next two weeks Year 3 and 5 students will be undertaking NAPLAN which is a national literacy and numeracy assessment that students in Years 3, 5, 7 and 9 sit each year. It is the only national assessment all Australian students have the opportunity to undertake. As students progress

through their school years, it's important to check how well they are learning the essential skills of reading, writing and numeracy. NAPLAN assesses the literacy and numeracy skills that students are learning through the school curriculum and allows parents/guardians to see how their child is progressing against national standards and over time. NAPLAN is just one aspect of a school's assessment and reporting process. It doesn't replace ongoing assessments made by teachers about student performance, but it can provide teachers with additional information about students' educational progress.

Safeguarding Lead Appointed

Scottsdale Primary School has recently appointed Hayley Heazlewood as our first Safeguarding Lead. Safeguarding Leads have been appointed in all Tasmanian state schools to help ensure all children and young people in Tasmania are known, safe, well and learning.

Mrs Heazlewood will support the wellbeing of all our students and help us all understand that keeping children and young people safe is everyone's responsibility.

For further information on Safeguarding in Schools please visit [Safeguarding Children and Young People - The Department for Education, Children and Young People Tasmania \(decyp.tas.gov.au\)](https://www.decyp.tas.gov.au/Safeguarding-Children-and-Young-People)

Week 6 focus - We co-operate, collaborate and help others

Week 7 focus - We allow others to learn
