Term 1 has seen a range of events including our student leaders participate in the Grip Leadership Conference, Classes going on Excursions, SPS Athletic Carnival, NE Athletic Carnival, Brixhibition, as well as PAT Early Years and NAPLAN Testing. With the 2023 year we have seen the removal of all Covid restrictions which again allows our school community to engage fully with Scottsdale Primary School in various events throughout the year and it has been great to see parents at a range of events this term. At last week's whole school leadership assembly and afternoon tea it was fantastic to have over 70 parents and community members including MLC Tania Rattray and Dorset Mayor Greg Howard attend. It was a great celebration, and we look forward to recognising our Term 3 and 4 student leaders in our whole school leadership assembly in Term 3.

Term 1 has been a term of opportunity for us to express our gratitude to all who have contributed to Scottsdale Primary Schools' success. A major part of our success has been the ability of the whole school community to demonstrate our high levels of resilience and commitment to supporting others in need. This has been evident not only in the growth, that has been the essence of school improvement at Scottsdale Primary School, but was also clearly displayed in our recent Athletic Carnival where the culture of supporting each other was clearly demonstrated in those students celebrating others' achievements.

The 2023 the Scottsdale Primary School Improvement Plan outlines 3 priorities, these being: Reading - Comprehension and Vocabulary; Numeracy – Number; and Attendance – Student attending at least 90%. Targets have been set along with key actions and monitoring to ensure continuous school improvement and student gains.

I would like to pay special tribute to all staff at Scottsdale Primary School who have ensured the establishment of a highly engaging and enriching learning environment for all students to excel and create the opportunities for our students' aspirations becoming possibilities.

Our 5 year data trend consistently shows students at Scottsdale Primary School achieving attainment and growth above both similar school and state average. I would like to thank our students and parent community for collaborating with us to achieve these outcomes as well as working towards having students achieve an increased rate of attendance this year. As the Department campaign states 'Every Day Matters'. We know how vital this is in providing the best of opportunities for our children's future.

As Acting Principal this term at Scottsdale Primary School, it has been an extraordinary gift and the greatest of privileges to have served in this special role in such a special community.

Thankyou.
