FROM THE ACTING PRINCIPAL

Dear Parents/Guardians

Our Cross Country Carnival was held on Monday in great running conditions. All participants showed great sportsmanship and support for others. The winning house on the day was Lyndhurst. Thank you to parents who came along to help as marshals and on the finish line, your help was greatly appreciated and welcomed. A huge thank you to our school leaders who supported other students around the courses, they did an amazing job. Thank you also to all the parents and carers who made time in their day to come and cheer our students on. It's wonderful to be able to welcome you back in to our school without restrictions.

ENE Cross Country

Letters were sent home earlier in the week to our Grade 3-6 students chosen to represent the school at next week's ENE Cross Country Carnival at Winnaleah next Wednesday. The rain day scheduled for this event is June 7th. These students will also receive a major excursion form with today's newsletter. Please ensure these forms are returned by Friday. Good luck and congratulations!

Performances

Today students from our K—2 students were treated to a visit from Ditto. This performance is always enjoyable and well received by students. The Pillow Case Program also visited Grade 3/4 Cashion and 3/4 Hall. All visitors were impressed by the respectful way our students participated in their programs.

Aim High—School Magazine Survey

Earlier this week classroom teachers attached a survey link to their Class Dojo accounts asking for responses regarding the ongoing costs associated with producing the school magazine. Please take the time to respond if you have not already done so. The survey link will close on Friday afternoon.

Tomorrow we welcome back Mr Broomhall from Long Service Leave.

School Cross Country

In fabulous conditions our school Cross Country saw a great house competition with students receiving house points for participating, running, cheering, and wearing house colours. It was great to be able to share our cross country with our parents, grandparents, and special others. All students should be commended on their willingness to have a go and try their personal best. Students showed great determination and persistence as they competed the running course. Well, done to our House Captains – Zoe, Cooper T, Phill and Lucy H and Grade 6 helpers – Brandon, Mackenzie H, Bella, Chloe S, Ruby S and Lacey who demonstrated leadership skills by helping with setting up, packing up, and supporting our younger students around the course. Thank you and well done to Madden on being in charge of the recorders desk for both sections of the Cross Country. A big thank you to our Scottsdale High School helpers, Tess Moore, Dawn McCauley, and Morgan Rice for their help with being officials on the day.

Congratulations to Lyndhurst who won our house competition with 1610 points, followed by Lisle with 1325. A full list of our top 3 place getters in each grade are listed below.
