## FROM THE PRINCIPAL

Dear Parents/Guardians,

Thank you to everyone for the warm welcome back after my Long Service Leave, I would like to thank Mrs Heazlewood for her leadership and filling in as Principal during my recent leave and thank her and Mrs Rainbow for their tireless work throughout the term.

### Principal Appointment

It is with great pride that I announce I have been nominated to the role of substantive Principal of Scottsdale Primary School pending the required appeal period. I am excited by my appointment and look forward to continuing to work with the Community, Parents, Staff and Students into the future.

### Volunteers

We very much value the support of volunteers in our school. Many of our programs wouldn't be able to run without these people. If you have time to contribute to supporting programs such as the Breakfast Club or Parent Help, please contact the office or your child's class teacher. All volunteers are required to hold a current Registration for Working with Vulnerable People Card (RWVP). Please visit [Registration to work with vulnerable people \(cbos.tas.gov.au\)](https://cbos.tas.gov.au) for further information.

### Reporting

Mid Year Reports will be coming home on Wednesday 28<sup>th</sup> June. Our Parent Teacher interviews will occur in Week 10 and Week 11 of this term. Along with today's newsletter will be an outline of the booking process. For these interviews, we would like to see a 3 way conference format that includes students wherever possible being involved. Research evidence clearly shows that students who are involved in planning, assessing and communicating their learning are more engaged and successful. Parents can however, also opt to have a meeting without their child present if that is their preference.

### Attendance

Schools across the state have experienced an early winter virus season and we are no exception. We are now emerging from it after a tough

couple of weeks. I want to thank staff for their commitment and flexibility in maintaining learning to the highest standard under ever changing circumstances and parents for their diligent communication with the school when students have been unwell. Judgements about when to keep students home and when to send are certainly less straight forward than before Covid. If students are well however, it is vital that they attend every day of learning. Every Day Matters

Regards

Davin Broomhall

Principal

## SLC

On the 9<sup>th</sup> of June the SLC will be holding a fundraiser for MND. All students have to do is wear a beanie, any beanie, and bring a gold coin donation. MND (Motor Neurone Disease) affects the way your brain communicates with other parts of your body. The purpose of the big freeze is to slow down the effects because scientists haven't found a cure yet. The big freeze is an event held at the back of the MCG where celebrities and Australian icons go down a slide on a sled into a pool of ice and freezing water. If we can raise \$200 Mr Milne, Chloe and Ruby will get a bucket of ice-cold water dumped on them in our line up assembly later that day.

**Week 7 focus** - We accept and act on feedback

**Week 8 focus** - We persist when things get tough
