

ISSUE NO. 10: 5 JULY 2023

FROM THE PRINCIPAL

Dear Parents/Guardians

As we approach the end of Term 2, I would like to thank our students, staff and families for their work throughout such a busy and productive term.

I wish to also congratulate all members of our school community for your attendance at student/parent/teacher meetings. I am really proud of the sharing of students learning progress and highly impressed by the number of appointments; and quality conversations being held regarding home-school partnerships. It has been great to see so many students being involved in the conversations about their learning and to have the opportunity to celebrate their progress of learning this year.

A reminder that Monday the 24th July is a Teacher Professional Learning Day with students commencing Term 3 on Tuesday, 25th July. I would like to wish all members of our school community a safe and restful term break.

SRC Hero Day

Today saw a diverse range of costumes worn by both staff and students as part of our SRC fundraiser. It was great to see so many getting involved and combining fun with learning and raising funds for SRC school projects.

Davin Broomhall

Early Learning Matters week is a celebration to build awareness and understanding of the importance of early learning and the difference it makes to children's learning, development and well being.

The theme this year is Early Learning Through Connection, focusing on the importance of children being connected to family, community, culture and place. Connections matter because they help develop children's sense of belonging to place, people and the environment.

Early Learning at Scottsdale Primary School

Launching into Learning (LiL)

Every Friday morning LiL is available for 0-4 year olds and their carers in the Kinder block. It involves a variety of activities, social interaction and developing connections between school and home.

Pre-Kinder is beginning in Term 3

(for all children who turn 4 years old in 2023)

We are excited to announce that Pre-Kinder session at Scottsdale Primary School will begin on **Friday 28th July**.

Sessions will start at approx. **10:30am** in the LiL room.

These sessions are a positive way to help transition your child into Kindergarten in 2024. We encourage children to begin by eating their morning tea while the adults enjoy a cuppa, a biscuit and have a chat to other parents.

Launching into Learning will continue on Fridays 9:00-10:30am.

We look forward to seeing you all.
