School Priorities

As we approach the end of term and the halfway point of the school year, I believe it is an important time to reflect on our school priorities, student outcomes and collective work.

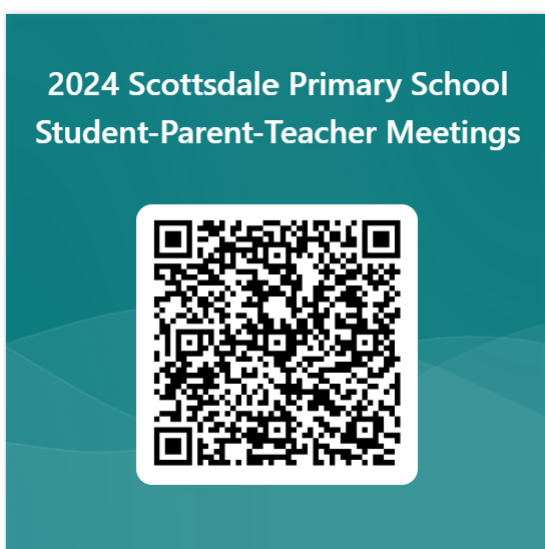

With our priority in attendance, our 2024 data shows we are making strong gains with the number of students attending school 90% or more increasing. This is vital as we know if you are not attending school regularly the impact is significant, especially over time. If you miss one day a fortnight over the years of schooling, that will equate to missing out on over one and a half years of school. If you miss one day a week that equates to missing out on over two and a half years of schooling. This shows us the importance of this school's priority of lifting attendance and the department's message of 'Every School Day Matters'.

In our priority of reading, we have seen a range of supports, resources and programs implemented as detailed in our previous school newsletter. Our school data shows we are exceeding similar school and state average which is furthered strengthened by our recent Kindergarten Development Check showing students achieving core markers at Scottsdale Primary are far outperforming the state average by over 25%.

Reporting and Student/Parent/Teacher Meetings

I would like to take the opportunity to thank all the students/parents and teachers for your endeavours throughout the year and thank all those who have participated in our student/parent/teacher meetings. We know how vital it is to work together.

Below is a QR Code with a link to a short survey about this year's meetings. It would be appreciated if you could take 2-3 minutes to complete the survey and provide your feedback.

Term Break

I would like to wish everyone a safe and happy term break and look forward to catching up when school resumes on Monday 22nd July.

AFL Term 3 Programs

On Monday afternoons in Term 3 for 6 weeks AFL Tasmania will be running a super fun AFL program for children aged from 5 - 12 on Monday afternoons from 3:00pm - 4:00pm at the school oval. NAB AFL Auskick is for the 5 - 8 year olds who are beginning their footy journey, where they will play lots of mini games and begin to learn some basic football skills. NAB AFL Superkick is for 8 - 12 year olds who will spend 15 minutes on basic football activities to help them build their skills, before then playing modified football games for 45 minutes, with no tackling and 9-a-side, which is the perfect entry opportunity for children new to football or those wanting to build their skills. AFL Tasmania staff will meet participants straight after school at a designated area and escort them to where the program will run; this will be communicated via email to registered participants prior to the program beginning. Parents won't be required to attend, but their attendance is encouraged to support their children. All registered participants will receive the packs as pictured on the flyer and if you have any questions, please don't hesitate to contact the details listed. Ticket to Play will also be able to be used to register for the program. Any questions at all please contact Luke via the details on the poster.
